The image shows a Mac desktop environment with a blue background. The top menu bar includes 'Finder', 'File', 'Edit', 'View', 'Go', 'Window', and 'Help'. The system status bar on the right shows the date 'Sat 8:33 PM' and the name 'Jeff6'. A dock is visible on the left side with various application icons. The desktop contains several files and folders: 'photoshop-lesson.pdf', 'AdobeFlashPlayer_18...tall.d', 'Screen Shot 2016-...PM.png' (two instances), 'Skype_6.3.0.602.dmg', 'GoToManage Expert (383).app', '2014 Fall alias', '2014 Spring PPCC alias', 'J Drive', 'Albuquerque S Break 2014', and 'J Driver'. A TeamViewer control panel is open in the top right corner, displaying session information for ID '695 370 876' and a chat window with the message 'hi how are you this evening'. Hand-drawn red annotations include a circle around the 'photoshop-lesson.pdf' icon, a curved arrow pointing from the chat area towards the center of the desktop, and a large hand-drawn red hand shape in the lower-left quadrant.

The screenshot displays a remote desktop environment accessed via TeamViewer. The interface includes a top menu bar with 'TeamViewer', 'Edit', 'Connection', 'Extras', 'Window', and 'Help'. The main workspace is a blue desktop with several files and folders, including 'photoshop-lesson.pdf', 'Screen Shot 2016-...PM.png', 'AdobeFlashPlayer_18...taI.d', and 'J Drive'. A chat window is open on the right, showing a conversation with ID 695 370 876. The chat history includes 'hi' and 'how are you this evening', and the current input field contains 'hi dad!'. A whiteboard section is also visible with 'Save' and 'Clear' buttons. The desktop background features a blue circle, a brown square, a hand-drawn hand, and a speech bubble containing 'hi dad!'. A white arrow points to the 'photoshop-lesson.pdf' file, and a red circle highlights a 'Screen Shot' file. A white arrow points to the chat window, and a white arrow points to the speech bubble.

Collaboration and Communication Tools

SMMUG Presentation on March 14, 2016
by Mark Griffith

Collaboration & Communication Tools

- Skype
- Dropbox
- Transporter

Collaboration & Communication Tool - Skype

- **Why I Like It**

- Cross platform compatible
- Can send texts or make audio or video calls worldwide
- Can make group video calls

- Other considerations

- To complete video calls, the other party must be on-line Microsoft owns Skype

- How much does it cost?

- Skype to Skype calls are free
- Pay as you go (2.3 cents/min in US) or buy Skype Credits in either \$10 or \$25 increments
- \$2.99/month for unlimited US and Canada calls
- \$13.99 month for worldwide calls

- Where Can I Get it? www.skype.com

Collaboration Tool - Dropbox

- Why I Like It

- Syncs across multiple platforms (Mac OS, Linux, iOS, Android, Windows, and Windows phone)

- 2 GB free (can get up to additional 16GB by referring friends)

- Files are encrypted with 256 AES at rest and SSL/TLS in transit

- Can share files with others even if they are not using Dropbox

- Collaboration very effective in MS Office products

- Other considerations

- Files reside on Dropbox servers

- How much does it cost?

- Free for Dropbox Basic

- \$9.99 + tax/month or \$99.00 + tax/year

- Where Can I Get it? www.dropbox.com

Collaboration Tool - Transporter

- Why I Like It

- Cross platform compatible (Mac OS, Windows, iOS, Android)

- Private - your files are resident on your own hard drive

- Can expand storage to fit your needs

- No subscription fee

- Can sync with other Transporters for redundancy

- Files are encrypted in transit

- Other considerations

- Can only order a 1 TB Transporter; Transporter Sync no longer available new

- Can still get Transporter Sync through E-Bay or other non-traditional shops

- How much does it cost?

- \$249 for 1 TB Transporter

- Where Can I Get it? www.filetransporterstore.com, eBay.com
