SMMUG February 2022 General Meeting

Mark Pimentel 02/14/2022

PAGES

Head north on the scenic CA Highway 1 to the Tomales Point Tule Elk Preserve trail head. As you

along the windy trail, you'll get close-up views of the elk herds. Be on the look out for other wildlife. Volunteers along the way will answer all your questions.

Follow the magnificent ocean waves to the tip of the point, and enjoy the sea breeze and watch the sun dip beyond the horizon. It's the perfect California day.
